MAJORITY AWARD

IN THE MATTER OF The Alberta Labour Act
and a dispute between the Brotherhood of
Painters, Decorators and Paperhangers of
America, Union No. 583, Calgary, and
Certain Members of the Calgary Decorating
Contractors' Association.

The Conciliation Board, appointed under Order-in-Council
No. 1279/62, met with the parties concerned and considered the
representations made by both parties.

The Members of the Conciliation Board were:-

Mr. D. G. L. Cunningham - - - Chairman

Mr. F. C. Bodie - - - Union Member

Mr. D. M. Patrick - - - Employers' Member

Appearing before the Board were:

For the Contractors' Association

Mr. M. J. Derochie,
Mr. A. H. Bailie

For the Union

Mr. W. Y. Paterson,
Mr. Frank Thompson,
Mr. John Zebroff,
Mr. Leo Campbell,
Mr. Clarence Baardseth,

The only matter before the Board was "Wages" all other
matters having been settled previously.

Unfortunately the Board was not able to arrive at a unanimous
finding. All Members of the Board realized the difficulties confront-
ing the Contractors, but the Majority appreciated the fact that the
Union Members had received no pay increase for two years. They, at
the same time, felt that retroactive pay was unfair to the Contractors.

The Majority Finding is:-

That the Union should enter into a two (2) year contract
dating from April 1st, 1962, with pay increases as follows:-

No increase April 1st, 1962 to September 30th, 1962;

Five (5) cents increase from October 1st, 1962
to March 31st, 1963;

A further five (5) cents increase from April 1st, 1963 to September 30th, 1963;

A further five (5) cents increase on October 1st, 1963 to termination of the contract, March 31, 1964

Respectfully submitted this 14th day of September, 1962,
at the City of Calgary, Alberta.

MINORITY REPORT

I dissent with the Majority Finding as above.

(SIGNED)

D. H. PATRICK, Member

The Members of the Board unanimously agreed that the attached addendum should be seriously considered by both parties:-

This section is not considered to be part of the Award of the Board. However, the Board felt that in view of the submissions made to it that a suggestion should be put forward to the parties in the dispute concerning the general elevation of the Industry.

We therefore suggest that the representatives of the Union and the Decorating Contractors' Association meet with a view to exploring ways and means of elevating the Industry. We suggest the two parties should invite a representative or representations from either the University or the Institute of Technology and Art, the Apprenticeship Board or some other educational body to act as a consultant in this matter. We suggest such matters as Apprenticeship Training, Tradesmen's Qualifications, Work Procedures, and other matters that would elevate the Industry generally should be considered.

We feel that both parties involved leave much to be desired when it comes to the education and training of the Painters. It would be to their mutual advantage to strongly consider this suggestion.
